Mr. Bikram Adhikari
Genese Software Soution

Dear Mr. Adhikari,

Thank you for the opportunity to apply for the AWS Developer role at your company. After reviewing your job description, it's dear that you're looking for a candidate that is extremely familiar with the responsibilities associated with the role, and can perform them confidently. Given these requirements, I am certain that I have the necessary skills to successfully do the job adeptly and perform above expectations.

I am an efficient recent college graduate (3.52 GPA, Bachelor in Information Management) from KCMIT. During the course of my academic career, I also managed to accrue nearly i year of work experience. I had the privilege of working for KCMIT in a Counselor role in my free time, where I learned valuable professional skills such as Coordination and Communication. In both my academic and professional life, I have been consistently praised as hard-working by my professors and peers. Whether working on academic, extracurricular, or professional projects, I apply proven interpersonal, communication, and leadership skills, which I hope to leverage into the AWS Developer role at your company.

After reviewing my resume, I hope you will agree that I am the type of competent and competitive candidate you are looking for. I look forward to elaborating on how my specific skills and abilities will benefit your organization. Please contact me at 980361736 or via email at sunitkhadgi13@gmail.com to arrange for a convenient meeting time.

Thank you for your consideration, and I look forward to hearing from you soon.

Sincerely,
Sunit Khadgi
